

WORLD HEALTH DAY 2018

As a part of World Health Day celebration under the theme of Universal health coverage, PIMS and R had organized BASIC LIFE SUPPORT PROGRAMME on 7th April 2018. Dr V J Watve, Dean PIMS introduced the guest speaker. She also emphasized the importance of basic life support measures in our day to day life.

Dr Amol Kodollikar (MD Anesthesia), consultant intensivist was the guest speaker who flawlessly conducted the session from 2 to 5 pm. He demonstrated the techniques of BLS in a very simple and practical manner. All the IInd MBBS students enthusiastically attended and actively participated in the session. Overall the session was very helpful not only for the medical students but also for the faculties of PIMS.

The lecture cum demonstration session concluded with vote of thanks .
